

2008 Institute Calendar

JANUARY	Cycles, Motives and Shimura Varieties at TIFR, Mumbai, India. January 3–12.
FEBRAURY	Recent Progress on the Moduli Space of Curves at Banff International Research Station, Canada. March 16–21.
MARCH	CMI Workshop on K3s: modular forms, moduli, and string theory. March 20–23. Conference on Algebraic Cycles II at Ohio State University, Columbus, Ohio. March 24–29.
APRIL	Additive Combinatorics, Number Theory, and Harmonic Analysis at the Fields Institute, Toronto, Canada. April 5–13. “The Music of the Primes,” Clay Public Lecture by Marcus du Sautoy at MIT. May 8.
MAY	Workshop on Global Riemannian Geometry National Autonomous University of Mexico, Cuernavaca (IMATE-UNAM Cuernavaca), Mexico. May 11–18. Clay Research Conference at MIT. May 12–13. HIRZ80 at Emmy Noether Research Institute for Mathematics at Bar Ilan University, Ramat Gan, Israel. May 18–23. Senior Scholars John Lott and Gang Tian at Institut Henri Poincaré. May 1–June 30.
JUNE	Conference on Motives, Quantum Field Theory and Pseudodifferential Operators, Boston University. June 4–14. A Celebration of Raoul Bott’s Legacy in Mathematics at CRM, Montreal. June 9–20. Conference on Aspects of Moduli Theory at the De Giorgi Center, Scuola Normale Superior di Pisa June 16–28.
JULY	Senior Scholar Rob Lazarsfeld at PCMI/IAS. July 6–26. CMI Summer School: Evolution Equations at the ETH, Eidgenossische Technische Hochschule, Swiss Federal Institute of Technology, Zurich, Switzerland. June 23–July 18.
AUGUST	Algebraic Geometry, D-modules, Foliations and their Interactions, Buenos Aires, Argentina. July 14–24. 60 Miles: A conference in Honor of Miles Reid’s 60th Birthday, LMS, London. July 18–19.
SEPTEMBER	Senior Scholar Henri Gillet at the Fields Institute Program on Arithmetic Geometry, Hyperbolic Geometry and Related Topics. September 1–November 30.
OCTOBER	Senior Scholar Fedor Bogomolov at the Centro di Ricerca Matematica Program on Groups in Algebraic Geometry. September 1–November 30.
NOVEMBER	Senior Scholar Richard Schoen at the Mittag-Leffler Institute Program on Geometry, Analysis and General Relativity. September 1–December 15.
DECEMBER	Senior Scholar Werner Mueller at the MSRI Program on Analysis of Singular Spaces. September 10–October 21. Senior Scholar Gunther Uhlmann at the MSRI Program on Analysis of Singular Spaces. September 16–December 15.
