

## List of Participants

|  |   |
|--|---|
| Feryal Alayont<br>University of Minnesota              | Ulrich Görtz<br>Universität Bonn                      |
| Andrew Archibald<br>McGill University                  | Gerald Gotsbacher<br>University of Vienna             |
| Mahdi Asgari<br>Institute for Advanced Study           | Shangar Gurevich<br>Tel-Aviv University               |
| Baskar Balasubramanyam<br>Brandeis University          | Ronny Hadani<br>Tel-Aviv University                   |
| Dubravka Ban<br>Southern Illinois University           | Tobias Hahn<br>Humboldt-Universität zu Berlin         |
| Eliot Brenner<br>Yale University                       | Harald Helfgott<br>Yale University                    |
| Farrell Brumley<br>Princeton University                | Fritz Hoermann<br>University of Heidelberg            |
| Ping Shun Chan<br>The Ohio State University            | Benjamin Howard<br>Harvard University                 |
| Benjamin Charbord<br>Université de Strasbourg          | Joseph Hundley<br>Pennsylvania State University       |
| Jy-Ying Chen<br>Harvard University                     | Joshua Kantor<br>Arizona State University             |
| CheeWhye Chin<br>Massachusetts Institute of Technology | Payman Kassaei<br>McGill University                   |
| Alina Cojocaru<br>Princeton University                 | Jukka Keränen<br>University of Pittsburgh             |
| Paul-Olivier Dehaye<br>Stanford University             | Wook Kim<br>Purdue University                         |
| Mladen Dimitrov<br>Université de Paris 13              | Bruno Klingler<br>Yale University                     |
| Jyotsna Diwadkar<br>University of Pittsburgh           | Andrew Knightly<br>University of Maine                |
| Brent Doran<br>Princeton University                    | Jonathan Korman<br>University of Michigan             |
| Jens Funke<br>New Mexico State University              | Muthukrishnan Krishnamurthy<br>University of Michigan |
| Hans Gmasz<br>University of Vienna                     | Abhinav Kumar<br>Harvard University                   |
| Julia Gordon<br>University of Toronto                  | Wentang Kuo<br>University of Waterloo                 |

|   |  |
|---|--|
| Joshua Lansky<br>Bucknell University                        | Aftab Pande<br>Brandeis University                               |
| Erez Lapid<br>Hebrew University of Jerusalem                | Jeehoon Park<br>Boston University                                |
| Kyu-Hwan Lee<br>University of Toronto                       | Manish Patnaik<br>Yale University                                |
| Catherine Leigh Lucarelli<br>University of Chicago          | David Pollack<br>Wesleyan University                             |
| Chun Che Li<br>University of California, Los Angeles        | Amritanshu Prasad<br>Université de Montreal                      |
| Hristina Lokvenec-Guleska<br>University Utrecht             | Yannan Qiu<br>Columbia University                                |
| Luis Lomeli<br>Purdue University                            | Nicholas Ramsey<br>Harvard University                            |
| Vincent Lucarelli<br>University of Chicago                  | Yiannis Sakellariadis<br>Stanford University                     |
| Christopher Malon<br>Massachusetts Institute of Technology  | Sug Woo Shin<br>Harvard University                               |
| Kevin McGerty<br>Institute for Advanced Study               | Lior Silberman<br>Princeton University                           |
| Mark McKee<br>Purdue University                             | Brian Smithling<br>University of Chicago                         |
| Paul Mezo<br>Carleton University                            | Claus Sorensen<br>California Institute of Technology             |
| Alberto Minguez<br>Université de Paris 11                   | Steven Spallone<br>University of Chicago                         |
| David Nadler<br>University of Chicago                       | Jonathan Sparling<br>University of Toronto                       |
| Gia-Vuong Nguyen-Chu<br>Université de Paris 7               | Loren Spice<br>University of Michigan                            |
| Marc-Hubert Nicole<br>McGill University                     | Alexander Stasinski<br>University of Nottingham                  |
| Chu-Feng Nien<br>University of Minnesota                    | Lee Stemkoski<br>Dartmouth College                               |
| Omer Offen<br>Max-Planck Institute for Mathematics,<br>Bonn | Binyong Sun<br>Hong Kong University of Science and<br>Technology |
| David Ogilvie<br>University of Chicago                      | Taliesin Sutton<br>University of Wisconsin, Madison              |

Haryono Tandra  
The University of Adelaide

Joaquin-Teruji Thomas  
University of Chicago

Ngo Dac Tuan  
Université de Paris 11

Ilya Tyomkin  
Tel Aviv University

Anandavardhanan U.K.  
University of Hyderabad

Akshay Venkatesh  
Massachusetts Institute of Technology

Filippo Viviani  
University of Rome "Tor Vergata"

Inken Vollaard  
University of Bonn

Eric Wambach  
Columbia University

Martin Weissman  
University of California, Berkeley

Chia-Fu Yu  
Academia Sinica

Qin Yujun  
Hong Kong University of Science and  
Technology
