

**May 27-31,  
2025**

**Arithmetic, K-Theory and Algebraic Cycles**  
**Ohio State University**  
**Columbus, Ohio**

**Organizers:**

**Patrick Brosnan**  
University of Maryland  
pbrosnan@umd.edu

**Connor Cassady**  
Ohio State University  
cassady.82@osu.edu

**Roy Joshua**  
Ohio State University  
joshua.1@osu.edu

**Speakers include:**

**Thomas Brazelton \***: Harvard University.  
**Gunnar Carlsson**: Stanford University.  
**Evangelia Gazaki**: University of Virginia.  
**David Harbater**: University of Pennsylvania.  
**James Hotchkiss**: Columbia University.  
**Matt Kerr**: Washington University, St. Louis.  
**Eoin Mackall**: University of California, Santa Cruz.  
**Akhil Mathew**: University of Chicago.  
**Anubhav Nanavaty \***: University of California, Irvine.  
**Martin Olsson**: University of California, Berkeley.  
**Pablo Pelaez**: St. Petersburg University.  
**Bjorn Poonen**: MIT.  
**N. Ramachandran**: University of Maryland.  
**Vivek Sadhu \***: IISER, Bhopal, India.  
**Anand Sawant**: Tata Institute, Mumbai.  
**Marco Schlichting**: University of Warwick, UK.  
**V. Srinivas**: State University of New York, Buffalo.  
**Suresh Venapally**: Emory University.  
**Charles Weibel**: Rutgers University.  
**Yilong Zhang \***: Purdue University.

\* Contributed talk.

Conference is sponsored by the Clay Mathematical Institute,  
the Mathematical Research Institute (MRI) of Ohio State University,  
the National Science Foundation and the K-theory Foundation.
